Because they don't have to sit in class, the high school students are looking forward to a happy field trip.

On that day, Ji Hoon Lee was hated by his classmates.

Sang Hyun Yoon tried to warn me how dangerous he was and lectured me in my own house.

How are you going to be friends with that a loser kid.
Why should I?
It's useless to say the right things when you're not part of the situation.
Why? The school rule is not to make any violence yourself. They can decide who's bad.

Even after Sang Hyun Yoon tried to help, I'm going to state the truth.

It was the worst possible thing
that could happen.

What are they trying to hide?

Is it maybe because of me?

But no matter how
much I think about it,
I can't remember anything.

What I do remember is, I thought
of Ji Hoon as my enemy.

He seemed to accept everything I presented to him, so I thought it was going to work out!
Ha! Just as bad as you, so can you stop?
So you don't want the only one being a bad one?
That money could have sent Soo Yeon to university!
Soo Yeon had a hard time following around with me, and I was wrong. Just like you were!
Do you know how I had to swallow my pride just to don't watch my self?

It wasn't hard to bully him.

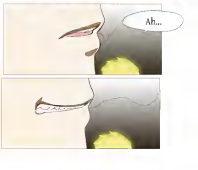
Ji Hoon Lee.

It's me,
Seo Yeon.

?

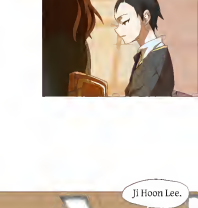
Were you and your
mom involved
in a car accident
a long time ago?

What happened?



I want to know why it happened
and the reasons behind it.

Ah...



Liar.
You're not
Seo Yeon.

You're a fake.

You're not Seo Yeon.

The nice Seo Yeon flew away.

She disappeared from this world.

You're a fake!
That is what the skylark says

What? You can control the skylark's mind, but that makes you no right to be here!
Who is this skylark?!

Good school days at home to study, and then to work for the rest of my life. I'm not sure what I am looking for!

Isn't he an idiot?
Ugh...

SFX: Turn
Who is it?!

Shut up! You're not helping!
I'm talking now, so don't interrupt me!

SFX: Sit down

The webtoon music I was talking about in Episode 17 is going to be behind various action scenes until Episode 24, so I want the music to be dramatic and energetic.

I don't know what to say here anymore...
